Dear Sir,

Steamer "MARPESSA".

With reference to our Report forwarded on the 9th instant in respect of the electrical installation fitted under our supervision on board this vessel, which was recently built by Messrs. The Rotterdam Dry Dock Co., we beg to state we are to-day in receipt of a letter from the Shipbuilders at Rotterdam returning our account of fees amounting to £32:14:0 and intimating that this account has been settled with the Society's Rotterdam Office. We shall be obliged if you will be good enough to confirm this, and also advise us whether the amount in question is being credited to our account.

Yours faithfully,
