Dear Sir:

"MAYHAVEN"

I duly received your letter of the 10th instant concerning Jacksonville Report No.1791 and it is noted that the Committee have given instructions for the class to be withdrawn from the Register Book and three dots inserted in lieu thereof indicating withdrawal of class at Owners' request.

However, I think it well to enclose herewith a copy of a letter addressed to the Jacksonville Surveyor from which it will be seen that he has been asked to discuss this matter with the Owners and, in the meantime, I have to request that the withdrawal of class be deferred until Mr. Stewart has completed his discussions with the Owners.

Yours faithfully,

pro Secretary to the American
