Dear Sirs,

Steamer "MASTRO-STELIOS"

I acknowledge receipt of your letter of the 6th May enclosing a report on a survey of this ship which was carried out by your Surveyor and thank you for your attention in this matter.

I confirm that the Society's Surveyors attended on board this ship at Hong Kong between the 16th and 19th March when the boiler safety valves were adjusted. No examination was carried out of the auxiliary boiler by the Hong Kong Surveyors and you will see, therefore, that no duplication of work took place.

Yours faithfully,

Deputy Clerk to the
Classification Committee.
