Dear Sir,

motor tug "MEDIATOR" (to be renamed - under Greek Flag)

With reference to the above tug we confirm our telephone conversation of today advising you that she has just been purchased from the Ministry of Transport by Messrs. Tsavlis (Salvage and Towage) Limited of Piraeus.

For your guidance please note that so far she is still unclassified with any Classification Society and if the Owners' intention is to put her with the Lloyd's Register of Shipping we would be pleased to know of the plans, etc. as required by you for this purpose.

May we also explain that she is the Sister Ship of the m.t. "TURMOIL" now at Milford Haven and which, as we understand, is already classed with you.

Awaiting your reply, we remain, dear Sir,

Yours faithfully,  
For TSAVLIRIS (SHIPPING) LIMITED
