

ENCLOSURE:

29th January, 1965.

R
NAB/SO

Dear Sirs,

m.s. "MEDIATOR".

I have your letter of the 25th January, the contents of which have been noted, and enclose herewith a memorandum showing the Society's requirements for the re-classification of the hull.

With regard to the machinery, all the requirements of an Engine Survey and Screwshaft Survey to be complied with, and crankcase explosion relief devices fitted. Spare gear and fire extinguishing arrangements to be in accordance with present Rules.

Particulars of any major alterations or renewals should be reported.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,
HULL.
