Dear Sir,

tug "MEDIATOR"

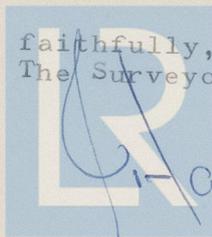

We have been approached by The United Towing Co. Ltd., regarding the above Admiralty tug which, they say, was constructed by Messrs. Henry Robb Ltd., under the Society's supervision about 1944, though never fully classed.

Apparently, the Company is interested in purchasing this tug but, in the meantime, would be obliged to learn what the Society's requirements would be should they eventually wish to have the tug classed.

Unfortunately, we are unable to verify the details supplied by The United Towing Co. Ltd., but trust your records will enable you to answer their enquiry.

Yours faithfully,
The Surveyors,

The Secretary,

reference will be made to several other reports submitted by the United Fruit Co. Ltd., but these last are not relevant, as the object is actually the delivery

of the goods to the United Fruit Co. Ltd. and not the delivery of the goods to the United Fruit Co. Ltd. in the meantime, would be subject to terms which, in fact, the company is interested in purchasing

clearly. The fact that a submission about 1944, though never fully made, was completed by Messrs. Henry Hope Ltd., and that, following the above quotation in the report, they do not have been obtained by the United Fruit Co.

THE SUBMISSION
