January 16th, 1945.

Dear Sir,

With reference to my letter of the 13th ultimo regarding the difficulties experienced with the hawse pipes in the Rescue Tug "MEDIATOR" (J.11827) I now enclose herewith copy of Report received from the Society's Surveyors at Leith in connection with the next vessel of the series H.M.S. "REWARD" (J.11828), from which it will be noted that the hawse pipes in this ship do not appear to be very satisfactory.

I am, Dear Sir,  
Yours faithfully,

*Res. Webster.*

The Secretary,  
WOKINGHAM.
