Enclosure

Classn(S)  
RNC

Dear Sir,

Steam Tanker "SANTI"

Reverting to your letter of the 13th November last, I have since heard from our Madrid Office that the class was transferred to the Bureau Veritas last October while the vessel was under repair at El Ferrol, and the Owners do not wish to maintain classification with Lloyd's Register.

I enclose a copy of letter addressed to the Madrid Office today informing them that, in the circumstances, the class has been expunged owing to non-compliance with the Regulations.

Yours faithfully,

Clerk to the  
Classification Committee

The Secretary,  
NEW YORK.
