F Classn(S)

Dear Sir,

S.S. SANTI

The Owners representative of the above ship called at this office yesterday and requested withdrawal of our class. It would appear that they changed to B.V. class in October last whilst the ship was under repair at the Astano Yard, El Ferrol.

The Owners very much appreciated this Society's services during the period when they purchased the ship in 1958 and had they been able to place the ship under the Spanish flag as originally intended would have continued with our class. They regret the need to withdraw the class now for economic reasons.

Yours faithfully,

Principal Surveyor for Spain.

The Secretary,  
LONDON.
