27th February, 1959.

Dear Sirs,

s.s. "SANTI"

Classn(S)
RNC

Your cablegram of the 25th instant regarding the above named ship has been read to the Committee today, and they have authorised me to cable you in reply that they are prepared to agree to the outstanding repairs in connection with the Special Survey being deferred for a further six months.

In conveying this decision to the Owners it must, however, be impressed upon them that this is the limit of any concession which the Committee are prepared to grant, and that the repairs must definitely be carried out by October next if class is to be maintained after that date.

On receipt of your report of the satisfactory examination you have made of the ship in dry dock, the case will be submitted to the Committee for the alteration of the present modified notation to read "SS (M) Cdz. 10,58. (12 mos.)".

Yours faithfully,

c.c. Madrid

Clerk to the
Classification Committee

The Surveyors,
CADIZ.
