22nd September, 1947.

Dear Sirs,

S.S. "SAMAFFRIC"

The above vessel has been undergoing machinery survey at this Port with a view to Classification, and the undermentioned items remain to be examined to complete the survey:-

Vessel to be placed in dry dock, propeller, stern bush, tail shaft, sea cocks and their outside fastenings to be examined; number of suction in holds and sizes and whether fitted with strum boxes to be ascertained. These particulars are required for Report 4.

The Owner's representative states that arrangements have been made for the vessel to dry dock at Leith, and the foregoing information is accordingly forwarded for your action as necessary.

Yours faithfully,  
THE SURVEYORS,

Per: *Wm. Cousin*

The Surveyors,  
LEITH.
