Dear Sir,

We have received a further letter from the Athel Line about their Dumb Barges "BRIMOLCO" and "CANEMOLA", concerning which you wrote to us on the 31st December, and I send you a copy of their letter.

You will see that they are pressing for a Certificate to be issued without the vessels being dry docked, in spite of the fact that the Society's Surveyors have not seen the ships for eighteen months.

I shall be glad to learn whether the Committee wish to give the case any further consideration.

The Secretary,
LONDON.

Yours faithfully,

C. B. Peacock
Secretary to the
Liverpool Committee.
