Dear Sirs,

Trawler "MARCHEGIANI III"

I acknowledge the receipt of your letter of the 28th November and have since informed the Committee of the position.

In the circumstances they have decided to record a notation of "Class withdrawn at Owners' request". This action has, however, been taken only on the understanding that a complete Special Survey has been held by the Registro Italiano, as otherwise they consider class should be expunged owing to non-compliance with the Regulations seeing that a Special Survey became due last August and no General Examination has been held by this Society.

In the absence of a reply to the contrary it will be concluded you have satisfied yourself on this point.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
GENOA.
