

BUENOS AIRES

(copy of statement
given to Chairman)

m.s. "ALBACARA"

8247 tons gross

Built in 1948.

Owned by Arisona Argentina S.A.
(not Government owned, and
apparently controlled from
Montevideo).

Special Survey due 1.63, and
year of grace expired 1.64

The Classing Committee on 31st January thought the Chairman should be informed of the fact that they had withdrawn the class of this ship owing to non-compliance with the Regulations, and attached is a copy of the memorandum received from Buenos Aires that led up to this decision.

3rd February, 1964.
