Dear Sirs,

m/v "BANNISTER"

We duly received your letter of the 15th inst.,  
regarding Special Survey on the above vessel.

This vessel is at present undergoing alterations  
for the purpose of making her suitable for River and  
Estuarial trading, and in view of this type of employment,  
we do not feel that it is necessary to continue the  
present classification by carrying out a special survey.

In the event of our finding it necessary in due  
course to perform an occasional short Coastal voyage with  
this vessel, we shall make application to the Ministry of  
Transport for a restricted load line.

Yours faithfully,  
For and on behalf of BOWKER AND KING LTD.,

*W. Peacey*
