QUESTION

ANSWER

With reference to the entry in your return of vessels under survey for the week ended the 20th April, I shall be glad to learn whether any action is being taken at this time with regard to the Screwshaft Survey, due 10.55.

The Reykjavik Surveyor stated in February that the vessel was sailing to the Continent or U.K. to be laid up for an indefinite period and on account of this deferment of the Screwshaft Survey was approved.

Date:— 28-4-1956.

In reply we beg to inform you that the Screwshaft Survey is in hand.

Our report will follow in due course.
