Port Reykjavik,

15th of December 1955,

This is to Certify that

Viggo R. Jesse,

the undersigned Surveyor to this Society did at the request of the Owners attend the T. Tanker "SKELJUNGUR" 297 tons gross of Reykjavik whilst on the slipway at this port on the 15th of December for the purpose of ascertaining the nature and extent of (1) damage stated to have been caused by tuching bottom at Skerjafjörður on the 2nd of August 1955 (2) damage stated to have been caused through grounding at Rif on the 19th of November 1955. - For further particulars see Log Book.

Upon examination the following damages were found and repairs recommended without prejudice to the terms and conditions of insurance:-

<u>FOUND.</u> B-strake, No. 9 plate, stb. side slightly indented.	<u>RECOMMENDED.</u> To fair in place.
<u>FOUND.</u> Bilge keel, starboard side buckled at two places.	<u>RECOMMENDED.</u> To fair in place.
<u>Propeller.</u> The blades of the bronze propeller found slightly bent and burred in way of tips and leading edges.	To fair and dress in place.

The foregoing recommendations were made with a view to placing the hull and machinery in the same good and efficient condition as before the alleged casualty occurred and repair of bronze propeller has now been completed to my satisfaction. Repair of B-9 and bilge keel have been deferred to be dealt with at the Owners convenience.

Viggo R. Jesse
Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
