Dear Sir,

Steam Tanker "APURE"

I have your letter of the 19th instant regarding the overdue Special Survey. I received your cable of the same date on the 20th April and immediately wrote to the Owner in Maracaibo and to Mr. Schoo in Caracas, explaining the position and impressing upon them both the need for an immediate reply.

Although I cannot disagree with the Committee's view that the class should be expunged unless a full Special Survey is held, I do feel that insufficient time has been allowed for a reply to reach London. In the circumstances, may I suggest that the case is withheld from the Cladding Committee until the 5th May at least, by which date I will do my best to let you have a reply.

Yours faithfully,
