Dear Sir,

Steamer "APURE"

With reference to Jacksonville Report No. 2150, I shall be glad if you will ascertain from the Surveyor, and let me know, why he recommended that only 30 fathoms of chain cable should be renewed as it would appear from the report that all of the chain cable on board this ship is worn to renewal diameter, i.e. 1.23/32".

Yours faithfully,

~~pro~~ Clerk to the  
Classification Committee.

The Secretary,  
NEW YORK.
