Dear Sir,

Ans'd

M. S. "MAX S"

I have your letter of the 26th February regarding the classification position of this ship and have to say that your remarks have been passed on to the Owners.

" We have now heard from the Society's Surveyor at Balboa that the Owners realise the situation, but as the future employment of this vessel is in doubt, it is not known whether the vessel will be drydocked or not and she is at present insured against Marine Protection & Indemnity risks on the basis of the vessel being unclassified."

Yours faithfully,

*W. G. S. Lilly*  
Secretary to the  
American Committee
