Dear Sir,

Motorship "MAX S"

I have your cablegram of the 14th February and note that no reply has yet been received by you to your enquiries addressed to the Owners regarding the overdue Special and Screwshaft Surveys.

In the absence of any definite arrangements from the Owners for holding these inspections the case will be reported to the Committee next Friday and they may decide to deal with the class. I shall therefore be glad if you will keep the case in mind and furnish me immediately with any information you receive from the Owners regarding the outstanding inspections.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Secretary,  
NEW YORK.
