Dear Sirs,

M. S. "MAX S"

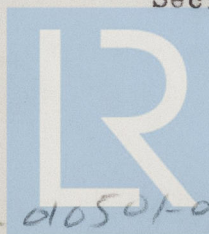

I refer to my letter of the 15th December regarding the Special and Screwshaft Surveys of this ship, the postponement of which until October 1961 was approved by the Committee. You will realise that these inspections will have to be dealt with at a very early date and in the circumstances I shall be glad if you will kindly let me have your proposals.

Yours very truly,

WGS : 11
