# Lloyd's Register of Shipping.

29 JUL 1949

Port of Oslo,

26th July 1949.

This is to Certify that I have

Surveyed the Boiler and Machinery of the steel screw motor  
tanker "MIL 50", 288 tons gross, of Oslo, while lying afloat  
at Oslo and standing in floating dock at Drammen

and that I have transmitted to the Committee of Lloyd's  
Register of Shipping, London, a Report stating that all  
recommendations made by me in connection therewith have  
been carried out to my satisfaction, and that I have  
Recommended that the record of ~~LMC~~ LMC

retained  
be made in the Register Book in the case of this vessel.

B. Smil P. Siira

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
