Dear Sir,

S.

"MARKAB" and "BRITISH COLUMBIA EXPRESS" *Copied*

I am in receipt of your letter of 9th ult. with regard to the above named vessels.

The "MARKAB" has since been surveyed in this port with regard to clearing the damages that are mentioned in the SRL list, and I can now confirm that this is in order.

The matter of anchors and cables is, that they are still outstanding but have been ordered.

I regret the error in my report.

"BRITISH COLUMBIA EXPRESS", the damaged refrigerating compressor bedplate was renewed, and is now covered by a report dispatched on 29-12-49.

Yours faithfully,

J. K. M. Gateley

The Secretary,
