12th June, 1923.

Dear Sir,

Messrs. J. & P. Hutchison are considering the purchase of the S.S. "EIDER", No. 58836 in the Register Book: if the purchase is completed they propose classing the vessel with us and desire to know if the boilers, of which plan is enclosed, would be accepted for a working pressure of 185 lbs per square inch, subject to their being found in good condition.

I am, Dear Sir,

Yours faithfully,

Harry Clarke.

The Secretary,
GLASGOW.
