Dear Sirs,

## Motorship "LA TRINIDAD"

I am obliged to you for your cablegram of the 15th instant and have today informed the Committee of the position.

As you know, a Screwshaft Survey fell due last November and a Special Survey will become due at the end of the present month.

In these circumstances, the Committee's inclination is to withdraw the vessel's class owing to non-compliance with the regulations; although if a request is received from the Owners there is every likelihood of the ship's name being marked "class withdrawn at Owners' request".

I have therefore cabled to you this afternoon as per copy herewith and shall be obliged if you will draw the attention of the Owners to the fact that if they like to apply for the last named notation, this may be granted, otherwise the class will be withdrawn next Friday owing to non-compliance with the regulations.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
HONG KONG.
