16th June, 1961.

Dear Sirs,

Steamer "MODAL"

I acknowledge receipt of your letter of the 13th instant, the contents of which have been noted.

Following a survey of this ship in March 1956 the Society's Surveyors reported that some side shell plating port and starboard was indented. A note of this was made in the Society's records, but the ship's class is not affected by these blemishes. No detailed note of individual plates has been recorded.

Yours faithfully,

Deputy Clerk to the  
Classification Committee

Messrs. Penn Shipping Co. Inc.,  
c/o Lubecker Flender-Werke,  
Postbox 1681,  
LUBECK,  
Germany.
