Enclosure

20th November, 1953.

Dear Sirs,

S) With reference to your Report No.110857 on the T/2 Tanker "ZEITOUN", I would express regret that when we wrote to the Owners on the 7th and 28th November 1952, we omitted to call their attention to an addendum in the Technical Endorsement that the question of further strengthening would have to be considered not later than the Special Survey.

You will see from the attached copy of letter today addressed to the Owners it is considered that certain additions should be made to the structure within one year, and we are of course deferring the assignment of the Special Survey notation until this has been done.

Yours faithfully,

Clerk to the  
Classification Committee

The Surveyors,  
NEWCASTLE-on-TYNE.
