LONDON

Dear Sir,

S. S. "MOBIL EAGLE"
S. S. "MOBIL FLAME"
S. S. "MOBIL RADIANT"
S. S. "MOBIL SKILL"

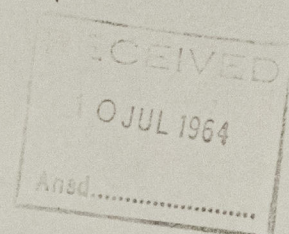

I am enclosing a letter received from the Owners of the above-named vessels, from which you will note that it is their intention to transfer the classification to American Bureau of Shipping at their next annual overhauls.

I regret that it has not been possible to have the Owners reconsider this decision, and, in the circumstances, the letter is forwarded for the necessary action.

Yours faithfully,

J. O'Connor
pro Secretary
