Dear Sirs,

S.S. "MOBIL FLAME"
S.S. "MOBIL EAGLE"
S.S. "MOBIL RADIANT"

I acknowledge your letter of the 21st January, the contents of which have been noted, and would inform you that the Special Surveys do not become due in these cases until 5.66, 9.66 and 3.66 respectively. Should it be desired to hold a Special Survey to coincide with the proposed conversion then all the requirements of the Special Survey (C) should be complied with and a complete Engine Survey held in each case.

I would add that according to our records the conversion referred to applies only to the "MOBIL RADIANT".

I would point out that the "MOBIL COMET" is not classed with this Society.

Yours faithfully,

Clerk to the
Classification Committee
