Dear Sir,

S.S. "MOBIL FLAME"

C.
RNC/DET

I have your letter of the 7th instant and have today informed the Committee of the Owners' request.

In reply it will be in order to inform the Owners that in the circumstances the Committee will be quite agreeable to the completion of the overdue Special Survey being deferred until the ship reaches a Mediterranean Port about the end of May next.

As the existing Load Line Certificate will expire next month it will be necessary for a further Load Line Survey to be held if the Owners desire another certificate to cover the ship until the end of May. In that event the Owners should state the Port at which the survey will be held so that the necessary instructions may be sent to the Surveyors concerned.

Yours faithfully,
