3 Certificates Enclosed.

14th April, 1949.

Dear Sirs,

I beg to inform you that freeboards have been assigned by this Society to the Turkish Motorship "MELEK", and I accordingly send herewith a Load Line Certificate and copy for issue on the vessel's arrival at Istanbul.

It is considered that on arrival and before the freeboards are painted in on the vessel's sides, an examination of the ship should be made in order that the Surveyor may be satisfied that she has suffered no damage on the voyage.

I shall therefore be obliged if you will be good enough to arrange for a competent and independent Surveyor to make this inspection, and to verify the freeboards.

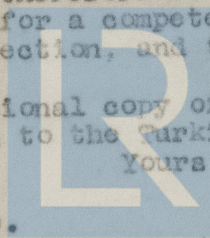

An additional copy of the Certificate is also forwarded for transmission to the Turkish Maritime Authorities.

Yours faithfully,

Messrs. J.W. Whittall & Co.
