Dear Sir,

We beg to inform you that we have decided to withdraw our m.s. "Saiburi" from class with Lloyds before her 6th special survey due in May 1963.

Our motivation to this withdrawal is that we do not find it necessary to keep her classed as she is trading in coastal service within Thai Waters only.

We trust that you will inform Lloyd's in London accordingly and that you will let us ~~to~~ know when the matter has been settled.

Yours sincerely,
