Dear Sir,

m.s. "SAIBURI"

In reply to your letter of the 7th January, I have to say that you are authorised in this instance to carry out the Special Survey but, in view of the age of the ship and as this will be a Special Survey (D), it is considered that you should be joined by an Exclusive Surveyor from Singapore who should arrange to attend while the ship is in drydock. The Singapore Surveyors have been requested to arrange accordingly.

For your guidance in the survey, I enclose a copy of the plans of midship section and profile and decks.

The class is at present continued subject to the driving gear wheel unit of the scavenge air blower being renewed, and it is concluded that this matter will be dealt with at the same time as the Special Survey.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

D.C. Knott, Esq.,  
BANGKOK.
