QUESTION

ANSWER

Date:— 14th December, 1962.

With reference to your letter of the 21st August, I shall be glad to learn how this case stands as regards the renewal of the driving gear wheel unit.

The present temporary repair is working satisfactorily. The spare unit has not yet arrived. The Owners will fit the new unit when the Vessel docks in May, 1963, if the unit has arrived and if the temporary repair carries on satisfactorily.

D.C. Knott.
