19th November, 1937.

Dear Sir,

S.

With reference to Glasgow report No. 58610 on Harland & Wolff Engine No. 7029, I may say that the Committee have today had before them a report received from the Society's Surveyors at HongKong from which it appears that this machinery has been satisfactorily installed in the motorship "MOAMOA", which vessel has been classed ~~SL~~100A1 with notations of Lloyd's A & CP, ~~SL~~LMC 10,37, oil engine, CL.

I am, Dear Sir,

Yours faithfully,

Clerk to the  
Classification Committee.

The Secretary,

GLASGOW.
