Dear Sir,

31st May, 1960.

Ans d. ....

"MARISA" ex-"HOLSTEIN"

We beg leave to refer to previous correspondence concerning this vessel, and would report that we have approached the Owners again several times in recent weeks with a view to obtaining a firm statement from them with regard to their plans for stopping this ship for her Special and other Surveys, at this port.

Whilst we have not been given any firm decision from these Owners the position would appear to be as follows:-

- (a). Owners appreciate this ship is in need of extensive repairs.
- (b). They wish to keep her in service until about September or October next at all costs.
- (c). An approach has been made to the B.V.Register to enquire as to whether or not that Society would accept the ship in her present condition.

Should the position change we will advise you immediately.

Yours faithfully,

E. Harvey
