Dear Sir,

Re: m/s "MAR TIRRENO" ex "Karen Maersk"

As you have already been informed our Company has recently purchased the above named vessel, which was classified with your Society.

Now this vessel is lying in the port of Genoa, where she will be converted into a dry cargo vessel by a local shipyard.

According to the Italian Maritime Law, all Italian ships must be classified with the Registro Italiano Navale. We should be very pleased to continue to have this ship classified also with your Society, but the bad freight market situation, whose improvement no one can foresee, compels us to renounce to the Lloyd's class and to ask you, consequently, to have this ship cancelled from your Society.

We are taking this decision with regret but, we are sure, you will realise our position.

Yours faithfully,

"MAR LIGURE", Soc. di Navigazione S.p.A.
