QUESTION

With reference to your letter of the 22nd July, and in the absence of this vessels name in the Venice Surveyors Returns, I shall be glad to learn if you are in a position to let me have any further information regarding the outstanding survey matters.

ANSWER

Date:— 19th October, 1964.

We are now in receipt of a letter from the Owners that as the Vessel has now been classed with the Registro Italiano they have decided, for reasons of economy, to withdraw her Class with our Society.
