The vessel is now proceeding under the Swedish flag for handover to Italian purchasers. I shall be glad if you will ascertain and let me know if the new Owners desire to maintain the class with the Society, and what service limits are required.

Date:— 21st August, 1963.

Messrs. Antonio Giardini, the new Owners' Agents, have informed us that the Owners desire to maintain the Class with the Society. Of course, as the Vessel is now flying the Italian flag, she must be compulsorily classed also with the Registro Italiano.
