

Holms Sand and Gravel Company Limited.

"PORTWAY"

The situation regarding this ship is as follows:-

B.S. held 8.54.

LMC due 5.54 has been completed with the exception of examination of sea connections and pumping arrangements.

T.S. OG. 8.53.

Hull Survey, due 5.54 has been commenced but is only about 50% completed, and a considerable amount of repairs not effected as recommended. The ship is still within the year of grace but no application for postponement received and therefore no GE carried out.

Submitted that in consequence of the reported defects not repaired the class be expunged with a black line.

Further submitted that LMC fee be charged, and 50% of hull fee.

See endorsement 25/10/54
