Dear Sirs,

Motorship "PIENINY"

I acknowledge receipt of your cablegram of the 5th instant from which it is noted that you have been unable to obtain any information concerning this ship.

The case received the consideration of the Committee at their meeting today when instructions were given for the notation "Surveys overdue 10,60 - class suspended" to be recorded against the ship's name in the Register Book.

The class of the ship will be omitted from the 1962 reprint of the Register Book and a notation recorded indicating that the ship was classed with this Society until October, 1960.

Yours faithfully,

pro Clerk to the  
Classification Committee.

The Surveyors,  
HONG KONG.
