Dear Sir,

I enclose herewith the First Entry Reports in respect of the motortanker "TANKLAND" - Messrs. Eriksbergs Mek. Verkstads A/B, Yard No.296, which has recently been completed at this port.

Particulars of the British tonnages are not yet available but they will be forwarded as soon as they are known. In these circumstances, for the purpose of calculating the fees, the tonnage has been assumed the same as for the previous sister ship "VARDEFJELL", the same Builder's Yard No.292.

The scantlings given on the Hull First Entry Report have been verified with the approved and "as fitted" plans in this Office and found in order. The plans will be forwarded as soon as postal communications permit.

I am, Dear Sir,

Yours faithfully,
