

AIR MAIL

16th September, 1955.

Enclosure

Dear Sirs,

Classn(S)

RJS

I have received a carbon copy of the letter dated 7th instant you sent to Mr. Taylor at our Buenos Aires Office regarding the motorship "SUDELMAR".

Mr. Taylor is no longer at Buenos Aires, but it would appear that you have not received, or have mislaid, my letter of the 20th May last which provides the answer to your queries.

Accordingly a copy is enclosed and the Committee have today once again confirmed their previous decision.

Yours faithfully,

C.C. B.As.

Messrs. Montemar S.A.
