Messrs. Lloyd's Register of Shipping,

Dear Sirs,

Ship N° 21 - "J.S. del Cano"

We understand that it is now possible to obtain sidelights of special glass which permits of their being fitted nearer to the lead line than the six inches indicated by your rules.

We would be very pleased if you would let us know under what conditions this can be done and give us the mark or manufacturer of sidelights which would obtain your approval with this subject.

Yours faithfully,
