Calle de Ibanez de Bilbao No. 22,  
4th Storey,

Bilbao, 14th June 1922

15 ENCLOSURES

Dear Sir,

Reverting to previous correspondence regarding the steamer N°21 "JUAN SEBASTIAN ELCANO" building by Messrs Sociedad Española de Construcción Naval, Bilbao, we herewith enclose three copies of each of the following plans relating to the question of the subdivision of this vessel.

1. General arrangement and accommodation plans and profile.
2. Plan showing openings through the vessel's sides and particulars of the watertight doors proposed to be fitted in the watertight bulkheads.
3. Copy of the "lines" plan.
4. Copies of the calculations for displacement and for the properties of the mean waterline.
5. Flooding Curves.

The under deck tonnage to the bulkehead deck is estimated by the builders at approximately 5452 tons.

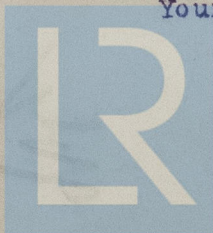

Kindly return two copies of the above plans to this office.

We are, Dear Sir,

Yours faithfully,

*W. G. L. H. H. H.*
