Dear Sir,

With reference to your letter of the 6th ultimo regarding the m.v. "SEIHO MARU" (Kobe Report No. 743) and to the copy of account for fees for survey during construction, I have to call your attention to the fact that errors appear to have been made in computing the hull and machinery fees.

On an equipment numeral of 63468 we calculate that the hull fee, as a tanker, should be Yen 4,140,864 while for survey of the machinery (MN 2239) the correct fee is Yen 975,114.

I shall be glad to receive your comments and, if you are in agreement with the above figures, an amended account should be rendered to the Builders.

Yours faithfully,

Chief Executive.
