Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

21st October, 1930.

Dear Sirs,

M.

I have to acquaint you that the Steel Screw Steamer "TOLWORTH", Messrs. The Burntisland Shipbuilding Co's Yard No.165, has proceeded to your Port with a view to the installation of the machinery.

To complete the Survey on the hull the deck and casings in way of the machinery openings, also the steering gear, windlass, and the watertight door require to be tested.

I shall therefore be glad if you will be good enough to give the case the necessary attention, and, on completion of the work, to forward a report on form No. 8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
SUNDERLAND.

Secretary.
