ANSD.....

The Secretary,
LONDON.

Dear Sir,

With reference to your letter of the 4th instant regarding M/T "GAUTHIOD", I herewith beg to enclose a copy of the forging report for the rudder head, together with forging reports attached to the First Entry Report.

As you don't write anything about certificates covering electric generators and motors, it is concluded that these are in order.

Yours faithfully,

A. Böving

Enclosures.
