Enclosure.

9th January 1962.

Dear Sirs,

S.S. "SANROCCO"

With reference to my letter of the 19th and your reply of the 20th December, I shall be glad to learn, for the information of the Committee, whether you are now in a position to state the Owners' intentions regarding the completion of the Boiler and Special Surveys.

I take this opportunity to remind you that the Screwshaft Survey will become due at the end of May and your intentions regarding this inspection will be appreciated in due course.

This is a "Liberty" type ship and I enclose a memorandum concerning screwshafts of vessels which come under this category.

Yours faithfully,

Clerk to the
Classification Committee.
